

Products & Services

For the right cover at the right price and the convenience of dealing with one company for all your insurance, there is only one name you need to know CGIB.

With many different types of insurance products now available it can be very difficult to keep up to date with the market and its changes. As professional Insurance Brokers, we deal with most of the major Insurers so we can assist you with all types of insurance. From construction insurance to tax investigation insurance, we can offer a complete range of insurance products and services including the following:

BUSINESS: Provides insurance coverage for retail, commercial, office and industrial businesses.

TRADES: Provides insurance coverage for the trade industry. Including special packages for lawn mowing & gardening contractors, carpenters, plumber's liability and other trades.

STRATA: Strata Unit insurance is specifically designed to provide protection for Commercial and Domestic Strata properties.

LIABILITY: Indemnifies you against legal liability to pay compensation in respect to personal injury or property damage that occurs in connection with your business.

BUILDERS: *HOME WARRANTY & COMMERCIAL STRUCTURAL DEFECTS*
CGIB is an accredited Builders Warranty Insurance Broker. We have been providing Home Warranty Insurance since its inception and have extensive experience in providing insurance to the building industry. We are also able to provide you with a choice of Australia's largest Insurers
