Insurers: Any insurer from our panel of insurers.

Insurance Provider: The Insurer from our panel of Insurers whose offer for Insurance has been accepted by the applicant.

# RETROACTIVE LIABILITY

The retroactive date is the date after which any errors or omissions of the Insured are covered. Any errors or omissions made before the retroactive date are excluded by the policy. The retroactive date may be the time that the Insured first purchased a Professional Indemnity or Directors' & Officers' Liability policy. It is important to make sure that the retroactive date is correct. Remember, that the actual event that causes a claim to be made under the policy may have occurred in a prior period of insurance, but is only covered if it is notified to the Insurers in the period of insurance when the Insured first becomes aware of the claim or circumstances. # 2. Claims made Policy

This declaration is for a "claims made and notified" policy of insurance. This means that the policy covers you for claims made against you and notified to the insurer during the period of cover.

This policy does not provide cover in relation to:

- claims made after the expiry of the period of cover even though the event giving rise to the claim may have occurred during the period of cover;
- claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- · claims made, threatened or intimated against you prior to the commencement of the period of cover;
- facts or circumstances of which you first became aware prior to the period of cover, and which you knew or ought reasonably to have known had the
  potential to give rise to a claim under this policy;
- claims arising out of circumstances noted on the application form for the current period of cover or on any previous application form.

Where you give notice in writing to the insurer of any facts that might give rise to a claim against you as soon as reasonably practicable after you become aware of those facts but before the expiry of the period of cover, you may have rights under Section 40(3) of the *Insurance Contracts Act 1984* (Cth) (the Act), to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the claim is made after the expiry of the period of cover. Any such rights arise under the legislation only. The terms of the policy and the effect of the policy is that you are not covered for claims made against you after the expiry of the period of cover.

# 3. Average provision

The policy may provide that if a payment in excess of the limit of indemnity available under the policy has to be made to dispose of a claim, the insurer's liability for costs and expenses incurred with its consent shall be such proportion thereof as the amount of indemnity available under this policy bears to the amount paid to dispose of the claim.

You should familiarise yourself with our standard form of policy for this type of cover before submitting this declaration.
